# ROBINS BUILDING

## All-weather event space

The Robins Building is a large, open-sided space (1,728 m<sup>2</sup>) which comes into its own during the warmer months, when you need a guarantee against the rain. The space measures 48mx36m and is ideal for large-scale events. It can also be hired in conjunction with other options.

### Perfect for:

- Food courts
- Livestock shows
- Car shows
- Fairs

## Key information:

- Dimensions – 48m x 36m
- Disabled access
- Parking adjacent for 200 vehicles
- Ceiling height – 6m
- Access doors – open fronted building
- Tarmac floor

# YOUNG FARMERS BUILDING

## An adaptable all-weather option

The Young Farmers' Building is a hard-standing covered area (360m<sup>2</sup>) suitable for a wide range of events, especially when used in conjunction with the adjacent Robins Building.

### Perfect for:

- Livestock events
- Exhibitions
- Fairs

## Key information:

- Dimensions – 24m x 15m
- Disabled access
- Parking adjacent for 200 vehicles
- Ceiling height – 3.8m at highest point
- Access doors – open-fronted building with a double & single door to rear
- Small kitchen
- Galebreaker Blind option for front of building to protect against the weather
