A BEAUTIFUL GREEN SPACE TO REFLECT YOUR VISION

At the heart of our venue lies our enclosed 50-acre, purpose-built grass showground surrounded by a further 100-acre cross-country course and woodland, with a car park for up to 6,000 vehicles. The showground is connected by an internal roadway, capable of hosting up to 1,000 exhibitor stands and up to 30,000 visitors per day.

Whatever the scale of your event and whatever the focus, our showground makes the ideal venue for every occasion. Offering a truly adaptable space that can be dressed to suit your vision, we've hosted fairs, exhibitions, scout camps, team building activities, car rallies, product launches and concerts.
